Note: Net Promoter Score research is conducted by independent research agency Ipsos for Garanti Bank. According to the research results, Garanti has the highest Net Promoter Score, among retail customers representing its own profile, compared to peer group. Peer group consists of Garanti Bank, İş Bank, Akbank, Yapı Kredi Bank, QNB Finansbank and Denizbank. Research was conducted between October '17 and January '18. Main bank customers, who have communicated with the banks over the last 3 months, surveyed face to face in the representative cities of Turkey by quota sampling. Score is calculated as a weighted average of retail segments' scores.
